

3030.109

waiting in the car, and I didn't know it until he left. I also told him he can meet you if he comes to Pioneer Days, and you can answer his questions.

Hopefully I'll send this to the correct address, so you'll know what to expect.

Gertude was sorry they missed you, but glad they went early, for they had thunder showers in Danville shortly after they got home.

Sincerely

The question and answer man
